Personal Statement:

All too often, students view their education as a giant mountain to climb; I see it as a set of stairs. I promise to use all of the information I've obtained here at Franklin University to help each student every step of the way.

According to a recent student survey, 95% of Franklin students say the service we provide them meets or exceeds their expectations!

Steps for Success:

- Contact your SSA to develop a Chronological Degree Plan.
- Register early for classes to ensure your choice of time and location. Many classes close early to maintain an average class size of 20 students.
- Study and writing assistance is available FREE through the Student Learning Center (SLC).
- Read editions of *Connections*, the student newsletter, posted on our Web site, alliance.franklin.edu and click on "What's New".
- Time management will be a crucial part of your success as a student. Budget your time wisely!
- The Franklin University Library allows students access to a wealth of information and services through www.franklin.edu/go/library.
